

Relationship Contract

- If we have a fight we would like to talk things out instead of ignoring the problem.
- We want to pick selected nights to spend with our friends to get some "alone time" from each other.
- My boyfriend has a street bike and I want that to be our time. I don't think that he should have any other passengers on it besides me and his family.
- We need to have nights just for us such as dinner and a movie.
- When we are apart we would like know where each other is and who we are with.
- Before we go to bed I would like to call him or get a phone call before he goes to bed. That's all me I like to talk before I go to bed.
- We need to have trust in each other.
- He will manage my credit cards, I am not good with them. He wants to hold them so I cannot use them.
- We need to start saving money to buy a house, so we have decided to not do a lot of shopping and wasting of money.
- He has a lot of friends that are girls, so I decided that I would like him to not spend as much time with them and when they are around I would like to be there.
- We will have Sunday night dinners with his family and have holiday dinners with my family.
